

Attorney Alexis Arellano

Perspective. Alexis believes that great solutions require a multidisciplinary perspective. Whether it is studying ancient history, painting a canvas, or competing in sports, Alexis strives to use

At Weiss Brown, she uses these skills to help clients thrive. After working at many startups before law school, Alexis enjoys working with passionate business owners and helping them jumpstart their dreams. Outside of the office, you can find this native Phoenician at the latest restaurant or art show opening in town, or at home researching her next exotic travel destination.
