

Attorney

Jere Friedman

Fulfilled. Jere knows the secret to a great life is finding fulfillment in all aspects of life.

He strives to maintain a healthy, rewarding lifestyle outside of the office while joyfully and effectively serving his clients inside the office. His experience building and growing his own practice makes him the perfect mentor for new attorneys. As he's always looking for new opportunities to learn and grow. Jere loves to travel and explore spiritual psychology in his spare time. He also enjoys playing the gongs, hiking, photography and meditation.
