

Paralegal

Kristy Hair

Connection. Kristy believes a connection with her colleagues is a key component to a great working environment.

Outside of the job, she enjoys spending time with family, eating at local restaurants, and taking daily walks with her dog, Kyra. And when she gets the opportunity to travel, she doesn't pass it up – whether it's relaxing on a cruise ship, zip-lining, rappelling, or rafting through the rain forests of Costa Rica.
