

Paralegal Margetts Mindy

Persistent. Mindy believes in seeing projects through to the very end, while happily stepping up to help others accomplish their own tasks.

She will unwaveringly stick to a task until the final resolution. She lives her life according to the quote by J.M. Barrie: "Always try to be a little kinder than is necessary." When the office day ends, she can usually be found reading, hiking, attending Broadway musicals, or building Harry Potter Lego sets with her kids, but is happiest sitting on the porch of her cabin, watching the cattle and deer wander by on the dirt road.
