

Attorney

Alan Baskin

State or federal, civil, criminal, regulatory or administrative, Alan has practiced in more places than he can remember, even once handling a case before the Department of Agriculture. His practice emphasizes securities cases of all shapes and sizes.

He is a consensus builder, but relishes the opportunity to tangle when the situation calls for it. Alan is often found lunging his way through the halls or leading team Friday pushup challenges, and is always on the lookout for plant-based treats and sweets.
